We're here to help you reach your potential and speak the language of your choice **successfully.**

ABOUT HEART OF LANGUAGE

To speak a language **successfully and confidently**, that is possible with Heart of Language.

WHAT ARE SOME OF THE **BENEFITS OF LEARNING IN DEEP RELAXATION?**

- You are more receptive and available and have renewed energy
- This enables faster learning and greatly improves confidence
- Your aural perception is enhanced
- Your accent improves quickly
- You retain new elements better
- It gives you confidence in your own learning capacities

HOW DOES **HYPNOSIS HELP LEARNING A NEW LANGUAGE?**

- The elements of hyper-receptivity and hyper-concentration provided by the hypnosis make you more available and receptive
- A hypnosis state gives a profound relaxation and well-being feeling, which is of great help while learning a new language
- Your mind is more receptive to the learning process
- Your perceptions evolve towards a greater awareness while feeling relaxed, confident, and comfortable
- Hypnosis requires no special effort and little intellectual focus

WHY CHOOSE US?

BECAUSE...

- Learning in deep relaxation yields exceptional results
- You learn quickly and easily
- It feels highly motivating and fun
- Our courses are 100% tailored according to your wishes
- Each lesson is recorded in a special way
- You get a free consultation in advance
- Only topics are discussed that are relevant to you
- We can use your own lesson material if necessary
- We can give you all our personal attention

CHOOSE THE COURSE THAT SUITS YOU

- ✔ **Intensive 40-hour course** - Do you want to learn a new language quickly? With this individual training, you improve your speaking skills in a very short time, as well as your writing skills if you wish to do so. When you follow the course within one week, you can easily process the new elements you learnt with our method.
- ✔ **40-hour course** - Do you want to learn a new language in a flexible way? This course enables you to go in depth into the language and to significantly improve your speaking skills, as well as writing skills if you wish to do so. You learn the language efficiently, at your own pace.
- ✔ **40-hour online course** - Do you live too far away to come to our school, or do you not have the time? Our online classes are for you, so you can learn from the comfort of home. Online classes are exactly the same as classes taught at our school. You hear a carefully chosen text in deep relaxation and work on it together with your teacher.
- ✔ **Two people course** - Do you want to take a course with a colleague or a friend? Then this course is for you. It can be taken at our school or at your company office. Lesson topics are relevant and adapted to the specific needs of the participants.
- ✔ **In-company course** - We can provide all courses at your company office in the Netherlands.
